

Interested in a B2B Delivery Partners account with Gill...

For British Canoeing Delivery Partners, Gill offers the possibility of B2B accounts to help supply quality equipment for you and your team.

Outfit your team with our expertly developed and designed, technical clothing that will protect you from the elements on, off, and around the water.

Gill also offers a bespoke corporate collection of technical clothing ideally suited for staff uniform.

Tailored to suit individual requirements, we will apply your logo through our established customisation service.

To open an account and for more information, please contact enquiries@gilluk.com or call 0115 946 0844.
